The iPhone 11 is expected to launch in October starting at \$699 and the iPhone 11 Pro is expected to launch in the same. The iPhone 11 and 11 Pro will sport similar design and specs as their pro siblings but Apple will distinguish them with different display sizes, color variants and starting prices. Steve Jobs, CEO of Apple, has passed away this evening after a long illness. Apple's co-founder and former CEO, had been a part of the company for over 30 years before his retirement in 2011. "It is with heavy hearts we announce that Steve Jobs passed away this evening," read a statement from Apple. "The family respectfully requests privacy during their time of grief." Seated Steve Jobs, Apple CEO and co-founder, with Steve Wozniak at Apple's first product launch on April 23, 1976. AP Jobs was diagnosed with pancreatic cancer in 2003 and underwent surgery the following year. He was later treated with chemotherapy and radiation and stepped down as CEO in August 2011. All his life, he lived with his first child, Reed, who passed away in 2011, and his biological daughter, Lisa, who died aged 55 of an accidental drug overdose in 1995. Jobs and the then-design team head Ron Wayne, co-founders of Apple, along with Steve Wozniak. AP Jobs, a college drop-out, was dubbed "the finest human being I've ever known" by Walt Disney CEO Michael Eisner. He has been the main personality of Apple for over three decades. The company's stock dropped by as much as 12 per cent in after-hours trading in Japan and Shanghai following news of Jobs's death.
